

# Marching Band 2018 – 2019 Season

Dear Band and Color Guard parents:

Hello and welcome to the Chippewa Valley Marching Band 2018-2019 program. As a parent or guardian you are now part of the Chippewa Valley Band Booster Family. What is a band booster? A Booster is a parent or guardian of a child in the marching band, drum line, or color guard. Being a “Band Booster” allows you to spend time with your child and help out where needed. What can you do as a Booster?

- 1) Donate your time and help out at football games, parades, in the uniform room, or chair an event.
- 2) Cheer on the band and color guard during their performances.
- 3) Attend monthly booster meetings to find out what is going on with the band and help out with planning or organizing upcoming events.
- 4) Donate money or other needed supplies to support the kids as they put in a lot of time and effort performing and representing their school.

Join in! You will have fun and meet some great people and some really dedicated kids.

Included in this packet you will find:

- Order form of the required items for Marching Band and Color Guard uniforms (summer and fall) along with the option to order optional apparel for the students and parents (a.k.a. Band Booster).
- Band camp information for the 2018/2019 Marching Band Season.
- Contact Information Sheet, and an Emergency Medical Form. **Every student must return an Emergency Medical Form and Contact Info Form (one per family). These forms must be filled out and turned in every year. (Previous years’ emergency forms are shredded).** Use a separate order form and emergency medical form for each student. Only one contact form is needed per family.

These forms need to be filled out for every student who is participating in Marching Band, Color Guard, and Drum Line. The forms need to be returned by **July 9, 2018**.
