

2018

CVHS Senior Video Information Request form

Deadline: Thursday, May 10, 2018

Each year we put together a Senior Video for our seniors and their families. The senior slide show portion will debut at the banquet where everyone will have the opportunity to watch it together. We are requesting from each senior 2-4 pictures to include in this slide show. Generally, this includes baby > elementary or middle school > senior year pictures. **This is not a marching band video, but a 2018 Class Video of all band (marching & concert)/guard/etc. students.**

You may drop off hard copies of pictures in an envelope, marked with your name, in the red band banquet box in the band room or you may email (preferred) them to lpassmore@comcast.net. Please either include this form or email the information on it with the pictures. All hard copies will be returned to the senior.

Please fill in this form when turning in the Pictures.

Full Name (as you want it on the video) _____

Plans for the future:

College: _____

Major: _____

Other: (military/undecided) _____

It is very important that we get full participation on this by all Seniors as it is very important to them and is something that they will cherish for years after they leave CVHS. The seniors receive a copy of the video at no charge.

Electronic copies of pictures are requested, but we do have a way to scan your older keepsakes if you do not.

We also ask that anyone with video of any 2017/2018 performances (concerts, marching band, winterguard) that we might be able to use, please contact Lisa Passmore (lpassmore@comcast.net) to make sure everything is included in the video.

ALL PICTURES MUST BE SUBMITTED NO LATER THAN THURSDAY, MAY 10 – NO EXCEPTIONS. The only way to guarantee your senior is in the DVD is to turn in pictures before this date.

This is the only way we can ensure the video is ready in time to hand out at the banquet.
