

Marching Band 2022 – 2023 Season

Dear Band and Color Guard parents:

Hello and welcome to the Chippewa Valley Marching Band 2022-2023 program. As a parent or guardian, you are now part of the Chippewa Valley Band Booster Family.

What is a band booster?

A “Booster” is a parent or guardian of a child who is involved with the marching band, drumline, or color guard. Being a “Band Booster” allows you to spend time with your child, help where needed and make new friends with other parents.

What can you do as a Booster?

- 1) Donate your time and volunteer at football games, parades, in the uniform room, or chair an event.
- 2) Cheer on the band and color guard during their performances.
- 3) Attend monthly booster meetings to find out what is happening with the band and help with planning or organizing upcoming events and fundraisers.
- 4) Donate money or other needed supplies to support the kids. They put in a lot of time and effort performing and representing their school.

Join in! You will have fun meeting great people and some really dedicated kids.

Included in this packet you will find:

- Order form of the required items for Marching Band and Color Guard uniforms (summer and fall) along with the option to order additional apparel for the students and parents (a.k.a. Band Booster).
- Band camp information for the 2022/2023 Marching Band Season.
- Contact Information Sheet, and an Emergency Medical Form. **Every student must return an Emergency Medical Form and Contact Information Form (one per family). These forms must be filled out and turned in every year. (Previous years' emergency forms are shredded).** Use a separate order form and emergency medical form for each student.
