

Don Houser was a former Chippewa Valley Band Parent and Booster, who will always be remembered for his selfless dedication to the CVHS Band Program.

His efforts, as well as his unselfish attitude, will be forever etched in the memories of those who were lucky enough to have known him. Each year, thanks to generous donations from many current and past members and boosters of the CVHS Band Program, the Donald D. Houser Spirit Scholarship honors one, very special, band student who exemplifies those same qualities that were demonstrated regularly by Don Houser. Please help us to honor Don's legacy, and continue to recognize a deserving student, by joining us for a fundraiser at:
