Marching Band Registration Form

2016-2017 High School Fee \$50.00

We invite you to take advantage of a unique learning experience by participating in a High School Marching Band. This learning experience is unique because it offers educational opportunities that are not readily available in the classroom. By participating, our students learn the necessary skills to work effectively with others, solve problems, and be productive and contributing members of society. These skills are consistent with the Mission of the District.

I have read this "Marching Band Registration Form" and understand that the fee I am paying does not guarantee playing time, control over any conditions of the band and is not refundable. Voluntary withdrawal or lack of participation will not be the basis for refunding fees. In addition, I understand that the fee will not be refunded or pro-rated for an student who becomes disinterested, when an student is removed from a band for disciplinary reasons, when cancelled contests cannot be rescheduled. Students who experience a documented season-ending injury will receive a pro-rated refund after making a request to their school's Music Department. I also understand that paying the fee does not alter the Student Policies of the Chippewa Valley Board of Education, or individual band rules.
