Address: \_\_\_\_\_

Phone # \_\_\_\_\_

Single \_\_\_\_\_ double \_\_\_\_\_ -triple \_\_\_\_\_ quad \_\_\_\_\_

Parents and family members traveling with us have a slightly different itinerary than the students. You may, of course, choose to take breaks from the group and go your own way. There will be no refunds for those meals or activities that you do not participate in. Here are our rules for family members traveling with the band:

1. I acknowledge that, even though this is probably a vacation for me, my band student is on a student trip and needs to follow the itinerary and participate in all activities. I cannot excuse my student from any scheduled activity
2. I realize that my band student will be in a student room and not in my family hotel room. I cannot enter the hotel of my student without a chaperone present.
3. I agree not to take my student out past curfew.
4. I understand that if I wish to participate in any activity that I need to be on time.
5. I understand that if I wish to have a refund, it will be less the \$100 deposit.
6. I will be responsible for all siblings of band students who travel with us to Florida and not leave them for the CV Chaperones or band students to attend to.
7. I agree to sign the waiver and know that there is travel insurance available
8. I understand that it is most likely that my student will be on one bus and I on another

After reading the above rules, please sign the form and return it to Mary Lach with your first payment.
